When I started the HANP, I had one goal in mind – to move freight more effectively and efficiently than any other carrier. I wanted the HANP to be unique and reliable, while at the same time cost effective. I am proud that we have achieved that goal and are providing cost productive and reliable service to our customers while meeting their stringent deadlines.

We focus on Upstream Oil and Gas Logistics, Supply Chain Services, including rig moving, infield logistics, equipment rental and Logistics Management. Our head office is in Ghubrah, Muscat with operating facilities strategically placed in Jiffnein. Our aim is to deliver a high level of operational support with industry leading levels of safety and quality.

“Our strength resides in our expertise, our track record, our in-depth knowledge of our business and our region and, most of all, in our highly motivated and trained people.”

HANP has *certified by OXY and KHAZAIN*. Over the years I realized while being taught by experience, that a great company's success depends on great leadership along with the dedication and hard work of its employees. Therefore, at HANP we strive to take care of our employees' well-being because they are our family.

We believe in hiring talented people for their long-term potential, giving them the responsibility and authority to be effective team, quality of work is stressed with all employees. Having the full support of the management, our employees consistently produce top quality Services that exceeds client objectives and promotes future opportunities.

Our VISION

“To become the most reliable and cost-efficient company in Oman and GCC Region that serves transportation and logistics segments in an exceptionally professional, short-timed, and quality consciousness manner”

Our MISION

“To add value to our esteemed clients by providing end-to-end freight forwarding along with transportation and logistics solutions. Our belief is that our success depends on clients' success entirely backed by exceptional teamwork approach, while constantly striving to leave a client with an everlasting positive customer experience.”
